Description

Blackrock is a S3 SRC protection class safety boot recognized for its width that can be more suitable for wider feet. Developed with a water repellent nubuck leather, a breathable lining textile and an abrasion resistant double density PU sole. Foot health and comfort are ensured by the composite toe cap and flexible kevlar midsole making it a 100% metal free product. This product is incorporated with Clima Cork System technology which regulates the temperature of the feet.

Safety boot ranging from size 39 to 47, Blackrock is ideal for agriculture, construction and outdoor activities.
